

BARRINGTON PARK

October 1, 2009

Dear Homeowners,

We are pleased to announce that after sixteen years of effort. You have approved a revised Covenants, Conveyances and Restrictions (CC&Rs) for the Barrington Park Homeowners' Association. The new CC&Rs have been recorded in the Salt Lake County Recorders Office and are effective immediately. Please take the time to review them as there are changes from the old CC&Rs. As we work through the new CC&Rs, you may see some rule changes that we will also advise you of. To eliminate confusion, we suggest you tuck the old CC&Rs and any "proposed" CC&Rs that you have received over the years away in some archive or even better, simply throw them away as they are no longer valid. The document you should now have readily available and refer to is Covenants, Conveyances and Restrictions, Revised August 2009 and signed on page 45 by Thelma Olsson and Deloris Lenhart, Recorded with the Salt Lake County Recorders Office #10790927, book 9760 pages 5605-5655.

We understand that not everyone agrees with each and every item that the new CC&Rs contain. We want you to understand that as Board, we believe the CC&Rs are not perfect and we consider them to be a living document --meaning the CC&Rs should be looked at on a continuous basis and changes made where 65% of the homeowners vote for changes to be made. Trying to rewrite and implement an entirely new document, as we did this time, is very difficult. Our plan is to pick one or two topics a year that you owners have indicated you would like reviewed and work only on those changes. That being said, we promised two areas that would immediately be reviewed by the CC&R Committee. Those issues concern pets and property rentals. You will receive more information in the future as the CC&R committee seeks input.

Again we appreciate all those who have worked on the CC&Rs. There were many people on several CC&R Committees, Boards of Directors, individuals and legal professionals that helped to get these much needed changes made. But most of all we appreciate you owners for realizing the need and being able to see past minor irritations for what was in the best interest of the community. You have insured that Barrington Park, your home, remains one of the best places in this city to live. Congratulations to you.

Sincerely,

Thelma Olsson

President, Barrington Park Homeowners Association

Any alterations done to the outside of the structure will need to be approved by the Architectural Committee. These include, but are not limited to: windows, doors, awnings, patio enclosures, light fixtures, garage doors, electrical boxes, electrical outlets, window well covers and screens. Once approved and installed these will become the full responsibility of the homeowner.

15. Compliance with Laws. Etc. Without the prior written consent of the Board of Directors nothing shall be done or kept on a Lot or on the Common Area, which might increase the rate of insurance on Barrington Park. No owner shall permit anything to be done or kept on his Lot, or in the Common Area which might result in the cancellation of the insurance on Barrington Park or which would be in violation of any law, ordinance, statute, rule or regulation of any local, county, state or federal body. If, by reason of the occupancy or uses of such premises by the owner, the rate of insurance for the premises shall be increased, said owner shall become liable for the additional insurance premiums.

16. Indemnification. Each Owner and Resident shall be liable to the remaining Owners for any damage to the Common Area, which may be sustained by reason of the negligence of said Owner, or Resident, or his family, guests or invitees, to the extent that any such damage may not be covered by insurance.

17. Owners Obligation for Taxes. Each Owner shall be obligated to pay any real and personal property taxes assessed against his respective Lot and/or improvements thereon and all utility charges relating to said Lot. Each Lot and its percentage of undivided interest in the common areas and facilities shall be considered to be a parcel, and shall be subject to separate assessment and taxation by each assessing unit and special district for all types of taxes authorized by law, including ad valorem levies and special assessments. Neither building/buildings the property, nor any of the common areas and facilities may be considered a parcel.

18. Unightly Work. Hobbies or Unkempt Condition. b. If owner has a family responsibility that calls them away for a period of not more than 30 months.

c. All tenants must have a full background check.

d. All the above must be approved by the Board of Directors.

e. All units that are now rented may remain as rentals until such time as they are vacated by the current tenant. Once they are vacated they may no longer be rental property. There is an exception to this rule in that if the owner is going to be away for a period of not more than 2 years for the military or other commitments, the property may be rented as long as it is taken care of. The owner must have board approval before renting the property. This may be obtained by sending a letter to the board with the owner's intentions and the names of the renters who are going to occupy the home for this period of time. No other properties are to be sold as rental property as of the revised declarations of the CC&R's.

f. All owners are responsible for any damage done to the common area or on the outside of the premises and must pay all charges incurred in restoring the property to its original shape. Property owners will be billed separately as these charges are not part of the original assessment fees.

Neither the membership in the Association, nor the right of non-exclusive use of a Common Area shall be separated from the Lot to which it appertains; and, even though not specifically mentioned in the instrument of transfer, such mandatory membership in the Association and such right of exclusive use shall automatically accompany the transfer of the Lot to which they relate.

26. The HOA will be responsible for landscaping and caretaking unless a homeowner chooses to care for their own landscaping. If the homeowner

decides to care for their own garden and landscaping, they must first have approval from the Grounds Committee of their landscaping plan and notify the business office that they will be caring for their own garden/yard. Upon approval the homeowner will then be responsible for the care of their gardens and flower beds. This will include keeping weeds and other debris out of the area as well as under the raised decks. Failure to keep these areas clean will result in a warning and/or possible fines.

27. All homeowners will be responsible for the cement pads that their air conditioners sit on, windows, doors (including garage doors) decorations and fixtures that have been installed on the exterior of the structure and any damage caused to the structure by that installation, satellite dishes, awnings, misting systems, garden lights, patio enclosures, water bibs, handicap ramps, air conditioning units, electrical boxes, outlets, breaker/fuse boxes, antennas, cable wires, telephone lines, bird feeders, flags, pest control, ants, rodents and any interior systems and/ or damage done by those systems. ARTICLE V THE ASSOCIATION

1. **Formation.** The Association has been incorporated under the name of Barrington Park Homeowner's Association as a non-profit corporation under the laws of the State of Utah and has been charged with the duties and invested with the powers prescribed by law and set forth in the CC&R's. Neither the Articles nor the Bylaws shall, for any reason, be amended or otherwise changed or interpreted so as to be inconsistent with this Declaration. In the event of any inconsistency, the provisions of this declaration shall control.

2. **Membership:**

a. **Qualifications.** Each recorded owner of a Lot shall be a member of the association. Ownership of a Lot shall be the sole qualification for membership in the association. Each owner shall remain a member thereof until such time as his ownership ceases for any reason, at which time his membership in the Association shall automatically cease. The foregoing is not intended to include as members, persons or entities that hold an interest merely as security for performance of an obligation.

b. **Members Rights and Duties.** Each member shall have the rights, duties and obligations set forth in the CC&R's, the Board of Director rules, as any of the same as may from time to time be amended.

c. **Transfer of Membership.** The Association membership of each Owner shall be appurtenant to the Lot giving rights to such membership, and shall not be assigned, transferred, pledged, hypothecated, conveyed or alienated in any way except upon a transfer of title to said Lot, and then only to the transferee of title to said Lot. Any attempt to make a prohibited transfer shall be void. Any transfer of title to a Lot shall operate automatically to transfer the membership in the Association appurtenant thereto to the new owner thereof.

3. **Voting.**

a. **Number of Votes.** Each Owner shall be entitled to one (1) vote for each lot owned. When more than one (1) person is the Owner of a single Lot, all such persons shall be members. However, the vote for such Lot shall be exercised as the joint owners determine, but in no event shall more than one (1) vote be cast with respect to any one Lot.

b. **Joint Owner Votes.** The vote for each such Lot must be cast as a unit and fractional votes shall not be allowed. In the event that the joint Owners are unable to agree among themselves as to how their vote or votes shall be cast, they shall lose the right to vote on the matter in question. If any Owner or Owners cast a vote representing a certain Lot, it will thereafter be conclusively presumed for all purposes that he or they were acting with the authority and consent of all other Owners of the same Lot. In the event more than one (1) vote is cast with respect to a particular Lot, none of said votes shall be counted and said votes shall be deemed void.

c. **Voting Director.** Voting shall be under the direction of the Secretary of the Board of Directors and the Election Committee as outlined in the By-Laws.

d. **Proxy and Absentee Ballots.** Proxy and absentee ballots will be made available for all elections as directed by the Secretary of the Board of Directors and the Election Committee. Since homeowners are allowed only one vote per unit they own, a proxy ballot could be issued to the spouse of

homeowner to vote in their place. A proxy ballot remains in force until the owner who issues it either rescinds the proxy or sells the property. Proxy ballots must be kept on file. An absentee ballot would be issued for a homeowner to cast his/her vote in the event that they will not be in attendance for the voting meeting. An absentee ballot will be issued when the voter can not be at a voting meeting.

4. Board of Directors and Officers. The affairs of the Association shall be conducted by the Board of Directors, as elected by the Homeowners, and such other chairmen as the Board of Directors may appoint, in accordance with this Declaration the Articles and the Bylaws, as the same may be amended from time to time. Any Homeowner in good standing living in the boundaries of Barrington Park shall have the right to become a member of the Board of Directors. If you vacate your residency in Barrington Park you give up your rights to be on the Board of Directors, as entitlement and acceptance of what is happening in the park cannot be observed by others not residing in the park. Any board member who has missed three meetings during one year will be asked to vacate their duties and another will be approved in their place.

5. Powers and Duties of the Association and or Board of Directors

a. Powers. The Association shall have all the powers of a non-profit corporation organized under the general non-profit laws of the State of Utah, subject only to such limitations upon the exercise of such powers as are expressly set forth in this Declaration and the Articles and the Bylaws. The appeal shall be to the Appeals Committee, consisting of two (2) members of the Board of Directors and three (3) other members, i.e. homeowners of Barrington Park, all of who shall be appointed by the Board of Directors. The action by the Board of Directors imposing the fine or suspension shall thereupon become ineffective until the suspension and/or fine shall thereafter be upheld by a majority of the Appeals Committee. The

(c) The Board of Directors is specifically authorized and empowered to tow and impound any vehicle parked in violation of the CC&R's and/or Director Rules and the cost of such action against the defaulting party. (4) Director Rules. The power to adopt amend and repeal by majority vote of the Board of Directors such rules and regulations as the Directors deem reasonable (the "Directors rules"). The Directors rules shall, in addition to the provisions of the other CC&R's, govern the use of the Common Area, including but not limited to, the recreational facilities and the private streets, by the owners, the families of the owners, or by an invitee, licensee, lessee, renter, or contract purchaser of an owner, provided, however, that the Trustee rules may not discriminate among Owners and shall not be inconsistent with the CC&R's. A copy of the Director rules as they may from time to time be adopted, amended or repealed, shall be mailed or otherwise delivered to each Owner and a copy shall be posted in a conspicuous place within the Common Area. In the event of any conflict between any such Director rules and any CC&R's the provisions of the CC&R's shall control.

(6) Emergency Powers. The Board of Directors on behalf of the Association or any person authorized by the Board may enter upon any Lot in the event of any emergency involving illness or potential danger to life or property or when necessary in connection with any maintenance or construction for which it is responsible. Such entry shall be made with as little inconvenience to the Owners as practicable and the Association shall repair any damage caused thereby. If entry is made without notice, the Board of Directors or its representative shall leave a signed written notice of the date, time and purpose of the entry.

(7) Licenses, Easements. And Rights-of-Way. The Board of Directors on behalf of the Association has the power to grant and convey to any third party such licenses, easements, and rights-of-way, in, on, or under the Common Area as may be necessary or appropriate for the orderly maintenance, preservation and enjoyment of the Common Area and for the preservation of the health, safety, convenience and welfare of the owners, for the purpose of constructing, erecting, operating or maintaining:

(a) Overhead or underground lines, cables, wires, conduits or other devices for the transmission of electricity for lighting, heating, power, telephone and other purposes;

The power, upon written approval of sixty-five percent (65%) of the members of the Association, to grant, convey, hypothecate, encumber, mortgage, abandon, partition, subdivide, or transfer the Common Area, provided, however, that the Association must obtain the prior approval of all holders of first mortgages of record on Lots within the property. Any transfer of the Common Area shall be to a non-profit or public entity which will function in the same role as the Association functions hereunder in preserving and maintaining the Common Area.

(a) The granting of easements for public utilities or other public purposes consistent with the intended use of the Common Area shall not be deemed a transfer within the meaning of this Subparagraph (7).

In this connection, the Board of Directors may enter into contracts for services or materials for benefit of the Association or Common area provided, however, that the term of any such service contract shall not exceed one (1) year unless approved by the vote or written consent of a majority of the members of the Association. Notwithstanding the preceding sentence, the Board shall be entitled to enter into the following contracts for terms of longer than one (1) year without said voter approval or written consent:

(12) Taxes and Assessment. Pay all real and personal property taxes and assessments separately levied against the Common Area or against the Association and/or any property owned by the Association. In the event that the Association is denied the status of a tax-exempt corporation, the Association shall pay all other taxes, federal, state or local, including income or corporate taxes, which may be levied against the Association.

(13) Professional Management. The Board of Trustee may delegate some of its management responsibilities to either a professional management company, an experienced on-site manager, an independent contractor, through service contracts, or any combination thereof. The Manager may be an independent contractor. The termination provision of any such contract must not require a termination penalty or any advance notice of any more than forty-five (45) days, and no such contract or agreement shall be for a term greater than one (1) year.

(14) Rule Making. The Association can make, establish, promulgate, amend and repeal the Board of Director rules, if 65% of the qualified association members approve such action.

(15) Committees. The Board of Directors appoint and remove members of the Architectural Control Committee and Appeal Committee and other committees as the Board of Directors may so direct, all subject to the provisions of this Declaration.

(16) Enforcement of Restrictions and Rules. The Board of Directors on behalf of the Association perform such other acts, whether or not expressly authorized by this Declaration, as may be reasonably necessary to enforce any of the provisions of the CC&R's.

6. Personal Liability. No member of the Board, any committee of the Association, or any officer of the Association, or the manager, if any, shall be personally liable to any Owner or Resident, or to any other party, including the Association, for any damage, loss or prejudice suffered or claimed on the account of any act, omission, error or negligence of the Association, the Board of Directors, the manager, if any, or any other representative or employee of the Association, or the Architectural Control Committee, or any other committee, or any officer of the Association. Provided that such person has, upon the basis of such information as may be possessed by him, acted in good faith without willful or intentional misconduct

7. Annual Meeting and Notice. The Association shall hold an annual meeting. The annual meetings shall be held in the second Thursday during the month of **November** unless otherwise determined by the Board of Directors. Special meetings may be called as provided for in the Bylaws. Notice for all owners meetings, annual or special, shall be hand delivered or given by regular

mail, postage prepaid, e-mail and shall be given not less than fifteen **(15)** days nor more than thirty **(30)** days prior to the time of said meeting and shall set forth the place, date and hour of the meeting and the nature of the business to be undertaken. All meetings shall be held within Barrington Park or as close thereto as practicable at a reasonable place selected by the Board of Directors. The presence at any meeting in person or by proxy of Owners entitled to cast more than twenty-five percent **(25%)** of the total number of votes shall constitute a quorum. If any meeting cannot be held because a quorum is not present, the Owners present, either in person or by proxy, may as otherwise provided by law, adjourn the meeting to a time no less than two **(2)** days, nor more than thirty **(30)** days from the time the original meeting was called, provided that the quorum requirement for such a subsequent meeting shall be no less than two percent **(2%)** of the total number of votes of the association. The books and records of the Association shall be audited upon the written request or vote of at least a majority of the members of the Association.

ARTICLE VI
COVENANT FOR MAINTENANCE ASSESSMENT

1. Creation of the Lien and Personal Obligation of Assessment Each purchaser of any Lot by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, hereby covenants or is deemed to covenant and agree, for each Lot owned, to pay the Association the sums set forth below. For purposes of this Section, the term "Owner" shall mean and refer jointly and severally to the Owner of both the legal and equitable interest in any Lot, the owner of record in the offices of the County Recorder of Salt Lake County, Utah, and both the Buyer and Seller under any executory sales contract or other similar instrument.

(a) Regular annual assessments or charges; and

(b) All other assessments levied by the Board of Directors from time to time, including but not limited to all special, specific and individual assessments as hereinafter provided.

2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the members of the Association, the improvement, operation and maintenance of the Common Area and the performance of the duties of the Association as more fully set forth in this Declaration.

3. Budget. The Board of Directors shall prepare a Budget which:

(a) **Itemization.** Shall set forth an itemization of the anticipated Common Expenses for the twelve (12) month fiscal year.

(b) The Budget shall be based upon advance estimates of cash requirements by the Board of Directors to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Common Areas, which estimates shall include but are not limited to expenses of management, grounds maintenance, taxes and **special assessments**, premiums for all insurance which the Board is required or permitted to maintain, common lighting and heating & water charges, carpeting, painting repairs and maintenance of the Common Areas and replacement of those elements of the Common Areas that must be replaced on a periodic basis, wages for Association employees, legal and accounting fees, any deficit remaining from a previous period the creation of a reasonable contingency reserve, surplus or sinking fund, capital improvement reserve, and other expenses and liabilities which may be incurred by the Association for the benefit of the Owners under and by reason of his Declaration.

4. Reserve Account. The Board of Directors shall establish and maintain a reserve account to pay for unexpected operating expenses. The reserve account shall be funded out of regular and/or special assessments.

5. Annual and Special Assessments.

(a) **Annual Assessments.** There shall be assessed against each Lot an annual assessment that shall be paid by all Lot owners in accordance with the provisions of this Declaration.

(b) Increase in Annual Assessments. In the event that the Board shall determine that the maximum annual assessment for a given calendar year is or will become inadequate to meet the expenses of the Association for capital improvements or repairs only, the Board shall determine the approximate amount necessary to defray such expenses and call special meeting of the members. The special assessment shall be approved only at such a meeting where no less than twenty-five percent (25%) of the members are present in person or by proxy vote to approve such special assessment (this would be 70 homeowners). If such a meeting can not be held because a quorum is not present, either in person or by proxy, then the meeting shall be adjourned to a time not less than five (5) nor more than thirty (30) days from the date of the original meeting, provided that the quorum requirement for such a subsequent meeting shall be no less than five percent (5%) of the total number of votes of the Association (this would be 14 people). In the event that an insufficient number of votes are present and no quorum can be obtained, the proposal shall be deemed approved. The special assessment shall be paid during that calendar year either over the remaining months of the calendar year or immediately as determined by the resolution adopted by the members.

But if the Associations Liability, Fidelity or property insurance as required by Article XII is increased by the insurer the Board of Directors may pass on these increases to the annual assessment for each lot without any additional approval.

(c) Uniform Assessment. The annual assessment for each Lot shall be determined as follows: seventy-five percent (**75%**) of the amount of said common expenses shall be charged to each Lot owner equally and the other twenty-five percent (**25%**) of said expenses shall be proportionately allocated to each Lot on the basis of the total square feet of living space contained in the living unit on each Lot as a portion of the total square feet of living space in the living units on all Lots, and the respective portion of said seventy-five percent (**75%**) of said expenses shall be charged to each Lot owner. For such purposes, living space shall mean the total interior area of the living units, not including the amount of unfinished basement area determined as of the time the living Unit was acquired from the Developer. A schedule of the determined amount of living space for each of the living units is set forth in Exhibit B attached hereto. The assessment so determined shall constitute the annual assessment, which can be levied against the Lots. The allocation of twenty-five percent (**25%**) of the common expense based on the area of living space is intended to reflect the difference in the cost of maintaining the exterior surfaces of said living Units because of the differences in the size thereof and for this purpose shall be presumed to accurately reflect such difference. Regardless of the difference in the monthly assessments charged to the respective Owners, each Owner will for all purposes be regarded as having an equal interest in the common area.

(d) Special Assessments. The Board or Association may levy special assessments in any year subject to the following:

(1) Association Approval. Any special assessment, which would exceed the Special Assessment Limit, shall be effective only if approved by a majority of the Homeowners at a Special Meeting. The Board of Directors in its discretion may allow any special assessment **to be paid in installments, the installment amount to be divided among all residents in the same equal payment, which must be specified as to what the total Special Assessment shall be.**

(e) Specific Assessments. The Board of Directors may specifically assess an Owner in a particular area provided that the specific assessment is not for any maintenance, repair or replacement ordinarily required by this Declaration.

(1) **Benefit only To Specific Lot.** If the expense benefits less than all of the Lots, then those Lots benefited may be specifically assessed, and the specific assessment shall be equitably apportioned among those Lots according to the benefit received.

(2) **Unequal or Disproportionate Benefit.** If the expense benefits all Lots, but does not provide an equal benefit to all Lots, then all Lots shall be specifically assessed, but the specific assessment shall be equitably apportioned among all Lots according to the benefit received.

(f) **Capital Improvements and Table.** The Board of Directors shall prepare a Table of Capital Improvements, which shall contain a list of foreseeable expenditures for capital improvements within the community. The table shall be included in every annual budget and it shall be reviewed and updated at least annually, and the Board of Directors for the replacement of capital assets shall establish reasonable reserve accounts as they age. Expenditures by the Association for capital improvements to Barrington Park shall be subject to and governed by the following:

(1) **Board Discretion/Expenditure Limit.** Capital improvements to Barrington Park, which cost ten percent (10%) or less of the Total Annual Operations Budget and do not materially alter the nature of Barrington Park, may be authorized by the Board of Directors alone.

(2) **Homeowner Approval/Expenditure Limit** Any capital improvement, the cost of which will exceed such amount, must, prior to the commencement of construction, be authorized by at least a majority of those Owners casting votes at a meeting.

(3) **Homeowner Approval/Changing the Nature of the Community.** Any capital improvement which would materially alter the nature of Barrington Park must, regardless of its cost and prior to being constructed or accomplished, be authorized by at least a majority of those Owners casting votes at a meeting.

(g) **Individual Assessments.** Individual Assessments shall be levied by the Board of Directors against a Lot and its Owner to reimburse the Association for:

- (1) Fines levied and costs incurred in enforcing the CC&R's;
- (2) **Costs** associated with the maintenance, repair or replacement for which the Lot Owner is responsible, not including ordinary wear and tear.
- (3) any other charge, fee, due, expense, or cost designated as an Individual Assessment in the CC&R's; and
- (4) Attorney's fees, interest, and other charges relating thereto as provided in this Declaration.

6. **Assessment Period.** The annual assessment period shall commence on October 1 of each year and terminate on September 30th of such year, except when these assessments are above and beyond the normally accepted amount that can be repaid by the homeowner, and then only with the approval of the entity from which Barrington Park has entered into a contract with for these unusual expenditures. The time period for payback of these monies by the Homeowner will be set and approved by the Board of Directors, but only after the Capital expenditure has been approved by the Homeowners. All assessments shall be payable in equal monthly installments unless the Board of Directors, in its sole discretion, adopts some other basis for payment.

In such event, the Association shall levy a special assessment against each owner to provide the funds to pay that portion of the repair costs not covered by available insurance proceeds. Such special assessment shall be allocated equally among the Lot owners and shall be enforceable against each Lot owner under the lien provisions contained in **Article VII** hereof.

b. The foregoing notwithstanding, in the event of a partial destruction where the estimated cost of repair and restoration does not exceed Twenty Thousand Dollars (\$20,000), and the available proceeds of insurance maintained pursuant to **Article XII (1)(a)(1)** of this Declaration are less than eight-five percent (85%) of the estimated costs of repair or restoration thereof, the owners, by majority vote of the members present or represented by proxy ballot at a duly convened meeting at which not less than twenty-five percent (25%) of the members are represented in person or by proxy ballot shall determine whether or not to repair and rebuild the damaged portions of the Common Area. The Board of Directors shall then levy a special assessment (which shall be equally apportioned among the Lot owners and which shall be enforceable under the lien provisions contained in **Article VII** hereof) to cover the costs of reconstruction not covered by available insurance proceeds.

d. In the event of a determination not to rebuild, the Board of Directors shall develop a plan to rebuild the Common Area on a reduced scale within the limits of the available insurance proceeds. Changes and modifications in either the original plans, if the common area is to be rebuilt, or the reduced scale redevelopment plans approved by the Board of Directors if restoration was defeated by a vote of the members may be effected upon approval in writing of sixty-five percent (65%) of all members.

The Board of Directors shall obtain firm bids from at least three (3) reputable contractors and award the contract to the lowest (responsible) bidder. In the event that the owner or owners shall be determined to be at fault in causing the damage or destruction of their lot, then the Board of Directors shall levy a special assessment (which shall be enforceable under the lien provision contained in **Article VII** hereof) against the owner or owners of the damaged or destroyed Lot to cover any deficiency between the total insurance proceeds and the contract price for such

repair and rebuilding of the improvements on that owner's Lot. Such assessment and all insurance proceeds, whether or not subject to mortgages or trust deeds shall be paid to the Association which shall be deemed trustee of the interests of the affected owner or owners, and shall be used for such repair and rebuilding. If blanket insurance is carried by the Association and there are insufficient funds to repair or replace, and no special assessment is made against the owner or owners as provided above, then the repairs or replacement shall be made and any deficiency shall be made up by the Association by making assessments to all members equally.

b. In the event of damage or destruction affecting two or more Lots, any controversy between the owners of such damaged Lots concerning their respective obligations hereunder shall be submitted to the Board of Directors and the Board of Directors' determination shall be binding upon the said owners unless, within fifteen (15) days thereafter, any party to the dispute submits the matter to mediation pursuant to Section 4 of this **Article XII**.

c. **Total Destruction of Barrington Park.** Notwithstanding anything contained in this **Article XII** to the contrary, in the event of total destruction of all or substantially all of Barrington Park, including the improvements located on each Lot and the Common Area, the owners, by the vote of not less than seventy-five percent (75%) of the members in person or by proxy, at a duly constituted meeting of the Association, shall determine whether or not to repair and rebuild Barrington Park. In the event of a determination to rebuild, the necessary funds shall be raised as provided in Sections 2 and 3 of this **Article XII** and the Board of Directors on behalf of the Association shall be authorized to have prepared the necessary plans, specifications and maps and shall execute the necessary documents to effect such reconstruction as promptly as practicable. Barrington Park shall be reconstructed or rebuilt in accordance with the original plans of construction, unless changes are recommended by the Board of Directors and approved in writing by owners of sixty-five percent (65%) of the Lots. A certificate of the resolution authorizing such reconstruction shall be filed with the County Recorder within six (6) months from the date of such destruction and in the event of a failure to record such certificate within said period; it shall be conclusively presumed that the owners have determined not to rebuild said improvements. Such proceeds shall be divided into one share for each Lot and the amount of each share shall be determined by dividing the net proceeds by the total number of Lots in Barrington Park. The share attributable

to each Lot shall be disbursed first to holders of valid encumbrances of record. The available insurance proceeds shall be distributed in a like manner except that the share of each Lot shall be based on the proportionate insurable value that each of the Lots, together with the improvements thereon, bears the total insurable value of all Lots and the improvements thereon.

4. Mediation In the event of a dispute among the owners respecting the provision of this Article, any owner may cause the same to be referred to mediation. In the event of mediation, notice thereof shall be given to the members of the Board of Directors and all other owners as promptly as possible after the reference to mediation is made, giving all owners an opportunity to appear in such mediation proceedings.

Such special assessment shall be enforced under the lien provisions contained in this Declaration. All such replacements shall comply as closely as practicably possible with the original plans, specifications and elevations of the improvements taken by eminent domain. If reconstruction is impossible, the condemnation proceeds shall be paid in equal amounts to the Lot owners or held in trust by the Association to cover the assessments of each owner on an equal basis.

If the determination not to rebuild is made, the award shall be distributed to the owners and first mortgagees of record as the interests may appear. In the event that the Association determines to rebuild, the Board of Directors shall levy a special assessment to cover all reconstruction costs not covered by the award in accordance with paragraph (a) above.

(c) In the event there is an award in excess of the amount necessary to so substantially restore the Common Area, the Board of Directors shall distribute it, each Lot receiving an equal amount.

(d) In the event that the condemnation award does not allocate consequential damages to the specific Lots but includes an award for reduction of value of the Lots without such allocation, the Board of Directors, within thirty (30) days after such award, shall determine the allocation of the award between the affected Lots and the Common Area damages. Such decision by the Board of Directors shall be binding on the affected owners unless within thirty (30) days after notification of such decision, fifty-one percent (51%) of the affected owners give the Board of Directors written notice that the allocation is unacceptable. In the event of mediation, notice thereof shall be given to the members of the Board of Directors and all other owners as promptly as possible after the reference for mediation is made, giving all owners an opportunity to appear in such mediation proceedings. Nothing herein is intended to prevent owners whose Lots are especially affected by the taking or condemnation from joining in the condemnation proceedings and petitioning on their own behalf or consequential damages relating to the loss of values of the

affected lots, or the personal improvements therein, exclusive of damages relating to the Common Area.

2. Partial or Total Taking Directly Affecting Lots. If part or all of the Lots shall be taken or condemned by any authority having the power of eminent domain, such that any Lot or a part thereof is taken, the Association shall have the right to act on behalf of the owners with respect to the Common Areas as outlined in Section **(1)** of this Article and the proceeds shall be payable as outlined therein. The owners directly affected by such taking shall represent and negotiate for themselves with respect to the damages affecting their respective Lots. Within ninety (90) days of the taking, the Board of Directors shall determine whether or not the taking so affects the improvements on the Lots that they cannot be restored or replaced substantially in conformance with the original plans and specifications for Barrington Park. Upon making the determination, the following provisions shall apply:

(a) If the Board of Directors determines that the improvements on the Lots can be restored in conformance with the requirements of this Article, the award shall be distributed to the Board of Directors as True and the Board of Directors shall restore the improvements on the Lots and on the remaining Common Area in the same manner provided for restoration under Sections **(2)** and **(3)** of **Article XII** hereof and distribute any excess award as provided in paragraph 1, Section **(c)** of this Article. In the event the award is insufficient to cover the full costs of such reconstruction, the Board of Directors shall proceed in accordance with paragraphs **(a)** and **(b)** of paragraph 1 above.

(b) If the Board of Directors determines that the improvements on Lots cannot effectively be restored or replaced in substantial conformance with the original plans and specifications for Barrington Park and unless all owners of the improvements which cannot be replaced and holders of mortgages thereon agree in writing to accept an alternative plan, the Board of Directors shall within thirty (30) days of the award determine the allocation of the award between the Common Area and the affected Lots and shall distribute the compensation for the taking of the Lot to the owners of the Lots taken and their mortgagees, as their interests may appear. The decision and allocation of the Board of Directors shall be binding on the affected owners unless within thirty (30) days after notification of such decision fifty-one percent (51%) of the owners of the improvements which cannot be replaced give the Board of Directors written notice that the decision and allocation of the Board of Directors is unacceptable and that they wish to submit the matter to mediation in accordance with paragraph **(3)** of this Article. Upon finalization of the Board of Directors decision, the remainder of Barrington Park shall continue.

3. Mediation. Within thirty (30) days after the notice from the owners that they wish to mediate the decision of the Board of Directors rendered under paragraph **2(b)** hereof, the Board of Directors shall submit the matter to mediation. In the event Barrington Park is reformed, the voting rights, shares of assessments and shares in the common elements appurtenant to each Lot which continues as a part of Barrington Park shall be equitably adjusted among the reduced number of owners.

4. Amendment of Declaration. In the event that Barrington Park is reformed and continued in accordance with paragraph **(2)** hereof, an amendment of the Declaration executed by fifty-one percent (51%) of the owners shall be recorded in the Official Records of the County of Salt Lake, State of Utah, which reflects all changes in Lot ownership, liability for common expenses, ownership of the Common Areas and voting rights caused by the taking.

ARTICLE XIV
PARTY WALLS

1. **General Rules of Law to Apply.** Each wall or fence which is built as a part of the original construction of the buildings upon the Property and placed on the dividing line between the Lots shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls of liability for party damage to party walls due to negligence or willful acts or omissions shall apply thereto.

2. **Sharing of Repair and Maintenance.** The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners who make use of the wall in proportion of such use. In addition, the cost of reasonable repair and maintenance of any water or other pipes within any party wall shall be shared by the Owners in a like manner. There shall also be a reciprocal right of access into the wall for the purpose of such maintenance or repair.

3. **Destruction of the Party Wall.** If a party wall is destroyed or damaged, any Owner who has used the wall may restore it, and if the other Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion of such use without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

4. **Weatherproofing.** Notwithstanding any other provisions of this Article, an Owner who by his negligent or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

5. **Mediation.** In the event of any dispute arising concerning a party wall, or under the provisions of this Article, each party shall choose one mediator, and such mediator shall choose one additional mediator, and the decision of the majority of all the mediators shall be binding upon the parties thereto.

ARTICLE XV
DURATION AND AMENDMENT

1. **Duration**. This Declaration shall continue in full force and effect for a term of fifty (50) years from the date hereof, after which time the same shall be automatically extended for successive periods of ten (10) years, unless an instrument, signed by fifty-one percent (51%) of owners, has been recorded, agreeing to change said Declaration in whole or in part.

2. **Amendment**. Notice of the subject matter of a proposed amendment to this Declaration in reasonably detailed form shall be sent or delivered to all members of the Association. A resolution adopting a proposed amendment may be proposed by the Board of Directors or by Lot owner. The resolution shall be adopted by not less than fifty-one percent (51%) of the entire membership of the Association. A copy of each amendment shall be signed by not less than fifty-one percent (51%) of the entire membership of the Association and certified by at least two (2) officers of the Association. The amendment shall not be effective until a signed and certified copy of the amendment is recorded in the public record of Salt Lake County.
