Motion and second to **fine a particular owner \$500 for nuisance smoking**... unanimous.

Report: 9 courtesy letters. 3 fines.

**Park Report** by Bruce.

Discussed operating budget and bank accounts. Discussed delinquent accounts. Discussed projects' progress. Grounds crew at full force. Contractor says \$100k to sleeve the French drain... cheaper to put in service ports at regular intervals and replace parts that a cutter can't

get through. Estimate is \$18k to fill in slope between pool and homes... tabled project. French drain and slope projects will be considered by the Finance committee for a future budget.

Discussion of Pool Rules: Consensus to accept existing rules, but consensus is to allow pool monitors leeway in enforcing rule 10... as long as no others are bothered. Consensus is that pool poop accidents will cost the offender \$200 (covers cost of pool closure and cleaning chemicals, etc). Consensus is to allow Owner to sign in their party, and after designating another responsible adult to be responsible for the party present, the Owner may leave. Consensus is that the pool monitors may limit an owner's pool visitors to 6, if the pool is getting crowded (rule 15). Consensus is that from 9 AM until opening will be "Adult Swim" time.

Meeting adjourned at 8:08 PM.
