BOARD ELECTIONS HELD – With the Board of Directors being voted in at the last annual meeting, the first order of official business was to elect Board Officers. That was done at the October Board of Directors Meeting. The results of those elections are as follows:

President- Dirk Heinz
Vice President- Charlie Huggard
Secretary- Deloris Lenhart
Treasurer- Bridget Julian

INSURANCE REMINDER: Each homeowner is responsible to maintain a unit owner's insurance policy to insure all personal property contained within the unit and the personal liability of the unit owner. They should also have liability coverage for the \$10,000 deductible that is the owner's responsibility before the HOAs master policy provides coverage. The purchase of a Homeowners Form 6 or HO6 policy will provide this type of protection.

If you have questions call the office 801-263-3628 or have your insurance agent contact Melanie at Poulton Insurance at 801-484-4477.

MAIL & PACKAGES: Just a word of caution about packages you are expecting to receive. If you are expecting a package and will not be home, have it delivered to a neighbor or somewhere other than the front steps. Packages delivered from the US Postal Service that fit, are delivered to the parcel lockers by the mail room. If they are too big or there are not enough lockers, they will be left at the Barrington office with a note in your mailbox letting you know they can be picked up there. That only applies to the US Postal service so please be cautious and diligent of other deliveries. **We strongly suggest that residents check and pick up their mail and packages everyday rather than leaving them overnight.**

COLD WEATHER REMINDERS: As we move from fall into winter and prepare for snow and colder temperatures, we have a few cold weather reminders:

1. **HOSE BIBS:** Just a reminder, be sure your outside hose is disconnected from the hose bib and turn the water off to the hose bib either by a valve inside your home or that a freeze free valve is installed and working properly.
2. **SNOW REMOVAL:**
 - Snow removal is completed when storms accumulate a depth of 2 or more inches.
 - Streets: Streets are given a priority. The first areas are the entrances and around the post office, followed by the main streets and finally the side streets. Please remember no parking on the streets overnight and no parking overnight in guest parking without permits.
 - Sidewalks and driveways: As with street plowing, sidewalks and driveways are completed on a priority system. First being the post office, next the major walk areas then the rest of the drives and walks. In other words, they will eventually get to you and are happy to do so. It simply takes time so please be a little patient with us and know we will get to you. Any help that is provided by you is appreciated and expedites the whole snow removal process, allowing the crew to work on other things. The crew does not remove snow from patio or deck areas.
 - Ice: Along with snow removal are the ice hazards that cold weather brings. Ice Melt (Not Salt) is available for owners (do not use salt on any of the cement surfaces). Please refrain from using ice melt or salt on the new cement. Ice melt is available by calling or picking up at the office.

BOARD MEETING: As a reminder, the Barrington Park Board meeting is held on the third Wednesday of every month at 6:00 pm in the office. The next meeting will be held **November 18, 2020.**
